Memorandum for the Record

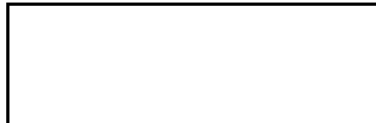

Subject: Retroactive Pay to 18 June 1977 ~~gmk~~ for GP/GA Journeyman Employees

Reference: My memo for the Record dtd 20 September 1977, Same Subject.

1. Mr. McGee from GPO "labor relations" staff called me yesterday afternoon to advise that GPO has received a decision from the Comptroller General approving the granting of retroactive pay as spelled out in the referenced memo. Mr. McGee will mail us a copy of the Comptroller General decision memo.

2. I ~~informed~~ informed the Agency components having GP/GA positions (OLog/P&PD, MPIC/Litho, OTS/GARB, and OGCR) as well as OFinance/Comp & Tax Division, that PMCD would be issuing updated wage schedules revising the effective dates from 7 August 1977 ~~to~~ back to 18 June 1977, as soon as the memo is received from GPO.

3. Note: The retroactive pay does not apply to apprentices, supervisors and bindery assistants because their wage increases have already been granted effective 19 June 1977 for the first two and 3 July 1977 for bindery workers.
